

AWAKEN

Written by: Tom Paxton, Graydon Scholtz & Hilton Greig

Gbsus2 Absus2 Bbm7 Ebm11

Verse 1:

My heart awakes a new day calling
Calling me
I see the light of mercy dawning
Drawing me in
I feel the warmth of Your glory on my skin
I feel Your glory breaking
Breaking in

Pre-Chorus:

It's a new day
It's a new start
I see it now
My God is love

Chorus: Db B Gb/Bb Abm

Oh I lift my head to see
Glory surrounding me
Oh fling wide fling wide my heart

Instrumental: Gbsus2 Absus2 Bbm7 Ebm11

Verse 2:

Hope light a flame within my soul
Awaken me
Grace breathe new life inside my bones
Breathe in me again
I see the hope of Your glory pressing in
I feel Your glory breaking
Breaking in

You're breathing life
You're breaking chains
You own the dawn
And you said it's a new day
Ignite my heart
Renew the flame
Revive these bones
All for Your praise
